INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Friends of the Child Advocacy Center, Inc.
Eugene, Oregon

Opinion

We have audited the accompanying financial statements of Friends of the Child Advocacy Center, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Friends of the Child Advocacy Center, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Friends of the Child Advocacy Center, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Friends of the Child Advocacy Center, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Friends of the Child Advocacy Center, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Friends of the Child Advocacy Center, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Jones & Roth, P.C.
Eugene, Oregon

FRIENDS OF THE CHILD ADVOCACY CENTER, INC.
NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

Organization and Purpose

Friends of the Child Advocacy Center, Inc. dba Kids First Center (the Organization) was incorporated on June 30, 1994, as a non-profit corporation in the state of Oregon.

The Organization provides intervention and advocacy for children who are victims of, or witnesses to crime; and coordinates Lane County's multidisciplinary team response to child abuse. The Organization provides comprehensive assessments that include forensic interviews, forensic medical examinations, and victim advocacy/support for children and their non-offending caregivers. These services are provided at no cost to victims and families.

Funding for the Organization's activities is primarily provided by "Child Abuse Multidisciplinary Intervention" account grant funds from the state of Oregon, "Victims of Crime Act" grant funding from the Department of Justice, and medical assessment fees from health insurance payers.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Net assets and revenue, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets without donor restrictions are available for use at the discretion of the Board of Directors and/or management for the general operating purposes. From time to time the Board may designate a portion of these net assets for specific purposes which makes them unavailable for use at management's discretion.

Net Assets With Donor Restrictions - Net assets with donor restrictions consists of assets whose use is limited by donor-imposed, time and/or purpose restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Expenses are reported as a decrease in net assets without donor restrictions. Gains and losses are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expiration of donor restrictions are reported as net assets released from restrictions.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Organization to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

FRIENDS OF THE CHILD ADVOCACY CENTER, INC.
NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies, continued

Income Tax Status

The Organization qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code (IRC) and, therefore, no provision for federal or state income taxes has been included in these financial statements. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2). The Organization's federal exempt organization information returns are generally subject to examination by authorities for a period of three years after filing.

Cash and Cash Equivalents

For purposes of the financial statements, the Organization considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Grants and Contracts Receivable

Grants and contracts receivable is comprised primarily of amounts due from various governmental agencies. Management periodically assesses the need for an allowance for doubtful accounts based on historical experience and existing conditions affecting probable collection. Management has determined that no allowance for doubtful accounts were necessary as of June 30, 2022 and 2021. No interest is charged on grants and contracts receivable and the receivables are unsecured.

Medical Assessments Receivable

Medical assessments receivable is comprised of amounts due from third party payors for services rendered by the Organization and are presented net of allowances for contractual adjustments and doubtful accounts. Management records as receivable only those amounts billed to insurance companies for which there are established contracted billing rates, which indicates probable collection. The allowance is calculated based on a review of outstanding receivables, historical collection information, and existing economic conditions. It is reasonably possible that the Organization's estimate of the allowance for uncollectible medical assessments receivable will change. Management has determined that the allowance for contractual adjustments and doubtful accounts as of June 30, 2022 and 2021 was \$20,039 and \$4,899, respectively. A delinquent receivable is one on which a scheduled or expected payment did not occur. Delinquent receivables are written-off based on individual credit evaluation and specific circumstances of third-party payors. No interest is charged on medical assessments receivable and the receivables are unsecured.

The balance in medical assessments receivable at July 1, 2020 was \$190,557, net of an allowance for contractual adjustment and doubtful accounts of \$12,560.

Property and Equipment

Property and equipment are capitalized at cost, or at fair market at date of donation if donated. Assets with a useful life greater than one year are capitalized if more than \$5,000 in value. Expenditures for maintenance and repairs are charged to expense as incurred. The cost and accumulated depreciation of assets sold or otherwise disposed of are removed from the accounts and resulting gains or losses are reflected in revenues and expenses. Depreciation is computed over the estimated useful lives of the property and equipment using the straight-line method, with estimated useful lives between five and forty years.

FRIENDS OF THE CHILD ADVOCACY CENTER, INC.
NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies, continued

Property and Equipment, continued

Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as contributions with donor restriction. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies these net assets to without donor restriction at that time.

Compensated Absences

Paid time off (PTO) is accrued by regular employees with full time equivalent (FTE) status throughout the year. The rate of accrual is based on the employee's years of service, unless an alternate rate was agreed on during hiring negotiations in which case the rate of accrual would be identified in the employees signed offer letter. Employees may carry their unused portion forward until it is used as long as the total number of accrued hours remains below the cap of 220 hours for new employees. Once employees reach the maximum accrual, PTO accrual will cease until the current allocation is used and falls below 220 hours. If an employee terminates employment and provides a minimum of two weeks' written notice, all earned and unused PTO leave will be paid to the employee up to the maximum 220 allowable limit. In all other cases, accrued but unused PTO will be forfeited. PTO is paid at the employee's hourly rate at the time the PTO benefit is used or cashed out, no matter what the rate was when the benefit was earned. Annual PTO accruals are recorded as an accrued liability at the Organization's fiscal year end.

Charity Care

The Organization provides care to patients who meet certain criteria without charge or at amounts less than established rates. Such amounts are not recognized as revenue by the Organization.

Revenue Recognition

Grant and contract revenue and contributions are considered to be available for unrestricted use unless specifically restricted by the donor or the terms of a grant. Cost reimbursement government grants are recognized as revenue in the period the qualifying allowable expenditures are incurred or as otherwise stipulated in the underlying agreement. For cost reimbursement grants, amounts received before expenses are incurred are reported as refundable advances (liability) until the expenses are incurred. Contribution revenue is recognized at the time an unconditional promise to give or transfer of assets is made. Contributions received with restrictions that are met in the same reporting period and conditional contributions for which the conditions and restrictions are met in the same period are reported as support increasing net assets without donor restrictions.

Revenues from medical assessment services is recognized at the time the service is provided, which is considered satisfaction of the performance obligation, and is reported at the estimated net realizable amounts from third party payors for services rendered. Amounts are due when the services are rendered and billed. Medical assessment revenue is considered without donor restriction. Amounts collected in advance but unearned, if any, are reflected in the statements of financial position as deferred revenue.

FRIENDS OF THE CHILD ADVOCACY CENTER, INC.
NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies, continued

Revenue Recognition, continued

Medical assessment revenue is reported net of contractual adjustments, provision for bad debts and charity care for the years ended June 30, 2022 and 2021 as follows:

	<u>2022</u>	<u>2021</u>
Gross medical assessment revenues	\$ 1,528,684	\$ 1,340,536
Contractual adjustments and write offs	(153,312)	(107,730)
Provision for bad debts	(74,426)	(52,082)
Charity care	<u>(59,907)</u>	<u>(14,482)</u>
Medical assessment revenue, net	<u>\$ 1,241,039</u>	<u>\$ 1,166,242</u>

Donated Materials and Services

Donated materials are recorded at their estimated fair values at the date of donation. Donated services are recognized in the financial statements if the services enhance or create non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Functional Expense Allocations

The Organization allocates expenses on a functional basis among its various programs and supporting services. The statements of functional expenses present the natural classification detail of expenses by function. Expenses that can be identified with specific program or supporting service are reported accordingly. Expenses that are common to several functions are allocated equitably by the ratio of personnel costs by program and service areas.

Subsequent Events

In October 2022, the board designated \$900,000 as an operating reserve. Management evaluates events and transactions that occur after the statements of financial position date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.

2. Liquidity and Availability of Resources

The Organization has a policy to manage its liquidity and reserves in order to meet its needs to fund operating expenditures. At June 30, 2022 and 2021, the Organization's financial assets available within one year of the statements of financial position date for general expenditures are as follows:

	<u>2022</u>	<u>2021</u>

NOTES TO FINANCIAL STATEMENTS

3. Financial Instruments and Concentration of Deposit Risk and Credit Risk

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash and cash equivalents and receivables. The Organization places its cash and cash equivalents with financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. In 2022 and 2021, bank balances exceeded FDIC insurance limits at various times during the year. At June 30, 2022 and 2021, cash balances held in excess of federally insured limits were \$354,957 and \$104,976, respectively.

Approximately 96 percent and 91 percent of the gross grants and contracts receivable as of June 30, 2022 and 2021, respectively, were due from four and three agencies, respectively.

Approximately 82 percent and 78 percent of the gross medical assessments receivable as of June 30, 2022 and 2021, respectively, were due from two payors.

4. Pledges

The Organization began a capital campaign to raise funds to cover the cost of the capital project (purchase and renovation). The total pledges outstanding at June 30, 2022, before the allowance for doubtful accounts of \$-0- totaled \$19,283 and are expected to be collected as follows:

June 30, 2023	\$	10,367
June 30, 2024 - 2027	\$	8,916

5. Long-term Debt

The Organization purchased a building and property for a new facility on February 5, 2019. The interest expense for the year ended June 30, 2022 and 2021 was \$58,640 and \$60,111, respectively. The note is payable to Columbia State Bank and was issued in conjunction with the Oregon Facilities Authority SNAP Loan Program, for a tax-exempt rate of 3.90 percent with a maturity date of February 1, 2045. However, the lender has the option to call the loan at either February 1, 2030 or February 1, 2040. The loan is collateralized by the property. Interest only payments were allowed until March 1, 2020 at which time monthly payments of principal and interest in the amount of \$7,880 began. The loan agreement includes various negative and affirmative loan covenants all of which management believes the Organization was in compliance for the years ended June 30, 2022 and 2021. Total interest on the note for the years ended June 30, 2022 and 2021 was \$58,641 and \$60,111, and includes amortization of the deferred financing fees.

At June 30, long-term debt consisted of the following:

	2022	2021
Loan balance	\$ 1,410,562	\$ 1,448,533
Current portion	(39,352)	(37,829)
Unamortized deferred financing fees	(46,019)	(48,057)
Long-term debt, net current portion and unamortized deferred financing fees	\$ 1,325,191	\$ 1,362,647
